HELPFUL RECYCLING TIPS

- Please do NOT place any recyclables in plastic bags. This means all clean recyclables may be placed together loosely in the same bin.
- Separating newspapers is not required, but newspapers can be placed in brown paper bags (no plastic bags please).
- If your recycle bin is full, put excess recyclables into brown paper bags.
- Plastic bags and Styrofoam containers can be recycled at local grocery stores with designated recycling bins.
- Fluorescent light bulbs can be recycled at a major home improvement store.
