Dear Owners, Tenants, and Guests,

Please be advised that from August 11 to August 14, the front driveway will undergo milling and repaving. During this period, we kindly ask all residents to refrain from scheduling any vendors or deliveries to ensure a smooth process.

This project will require coordination from everyone, as there will be times when access to the driveway will be restricted. We recommend that you plan accordingly to avoid any inconvenience.

As the dates approach, we will provide more detailed information regarding the schedule and procedures. Additionally, notices will be posted in the mail room and in the elevators for your reference.

Thank you for your understanding and cooperation.

Best Regards,

Alicia O'Connell, LCAM
