

## **Showtime Anytime App is Shutting Down**

November 16, 2023

Hi Everyone,

Here's the latest on The SHOWTIME ANYTIME app, which houses the SHOWTIME content. This app will sunset on December 14, 2023. However, customers can still access SHOWTIME content through the DIRECTV app.

All content that was available on the SHOWTIME ANYTIME app is available on the DIRECTV app. This one-stop shop allows the customer to access live SHOWTIME channels as well as search through the On Demand library.
