

How to help stay ahead of these 3 scams

TRENDING SCAMS

INVESTMENT SCAMS

"They guaranteed a quick return."

*There's **no such thing**.*

Always research investment opportunities before sharing your information.

SHOPPING DEALS

"It seemed like such a great deal."

Deals on social media may offer fake goods or be too good to be true.

Slow down, and research the seller before sharing information.

TECH SUPPORT SCAMS

"They needed access to 'fix' my computer."

Be cautious. Don't share security codes, passwords or account information. We'll never contact you to ask for those.

**Pause before you react and
don't let anyone rush you.**
